Letter No.22588-F1/56-1 dated 25.6.56.

Sir,

Sub: Allowances -T.A.Bill of Sri M.S.Srouty Divisional Engineer (Highways) Mangalore for journey to Bhuvaneswar during 2-2-54 to 14-2-54-Pre audit by the Accountant General requested.

Sri M.S.Srouty, Divisional Engineer (Highways) Mangalore Division was selected as an official delegate to the Indian Roads Congress session held at Bhuvaneswar during 2/54. The Divisional Engineer (Highways) attended the Session and preferred his T.A. bill only in 3/56. The Divisional Engineer (Highways) was asked to account for the delay by the Superintending Engineer (Highways) and it has been reported that complete reply was received only on 4.4.56.

2 It has been reported that the reasons for the delay were that the Divisional Engineer (Highways) was very busy during thetime with his routine inspection work at the far end of that year, though he was not keeping well.

3 The bill is enclosed for transmitting to the Accountant General Madras with orders to pre audit the bill with reference to Art.54 of S.F.C.Vol.I. A copy of Divisional Engineer's (H) explanation dated 15.2.56 is also enclosed.

4 I request early orders in the matter.

Sir,

Sub: Bills-T.A.Bills returned with remarks etc. Nonresubmission of-Recording.

Ref: S.E's(H) D.O.A3/TA/55.56 dated 2.2.56.

...

With reference to the above, I have to state that my T.A. Bill for 2/54 for Rs.251 - was delayed for the following reasons:

I could not submit the bill immediately after tour as I was very busy during the time with my routine inspection work, at the tag end of the year, though I was not keeping well. The strain of the too heavy work of execution of 10 to 12 major bridges told up on my health and there was sudden break down of my health and I had to enter onleave. The bill was received while I was convalesing from illness and was submitted only when I was able to attend to it. I request that this de was not wanton and may please be recommended to be condoned.
